Unit 5, Killala Road Business Park,
Ballina, Co. Mayo

School aged children need the opportunity to live and learn in an informal, relaxed, home from home environment. So, we have created a Before/After-School facility that is separate from our main crèche.

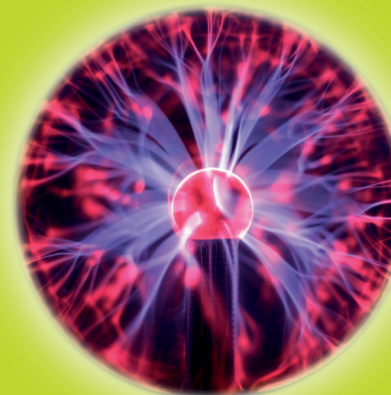

Arts and Crafts
Indoor/Outdoor sports
Table Tennis, Hockey
Science
Before and After-School clubs
Summer camps and School holiday camps
Bus service to all local schools.
Back-Up childcare

art

sport

science

disco!

School aged children thrive on new challenges, friendships, clubs and responsibilities, they want to discover who they are, pursue their own interests, and start to be treated in a more “grown up” way.

Our school aged programme recognizes the growing physical, intellectual and social competence of school aged children. Our experienced staff team are there along side the children, facilitating, guiding and recognizing that learning does not have to take on the more regimented tone of a school setting, our school aged programme is first and foremost focused on FUN.

SAMPLE PROGRAMME	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
AFTERNOON	Free Play	Fun with Science	Outside Play	Arts and Crafts	Cookery Classes
EVENING	Indoor Hockey	Drama Club	Compukids	Table Tennis	Mini Disco

We provide a range of childcare options for your school aged children including:

- Before and After- School clubs
- Summer camps and School holiday camps
- Bus service to all local schools.
- Back-Up childcare (when schools have closure days for staff training etc, if you're usual childcare provider is unexpectedly unavailable)

Our dedicated after-school service includes a supervised home work session each day. During the afternoon and evening children can play

freely and take part in lots of fun and interesting activities including:

- Arts and Crafts
- Indoor/Outdoor sports
- Table Tennis, Hockey
- Science

Throughout the year, we introduce extra curricular activities, such as computer classes, speech and drama, music and cookery classes. You may find our school aged children creating a magazine, learning how to play chess, or conjuring up their own home made pizzas
